

You're concerned about a clean environment. So are we.

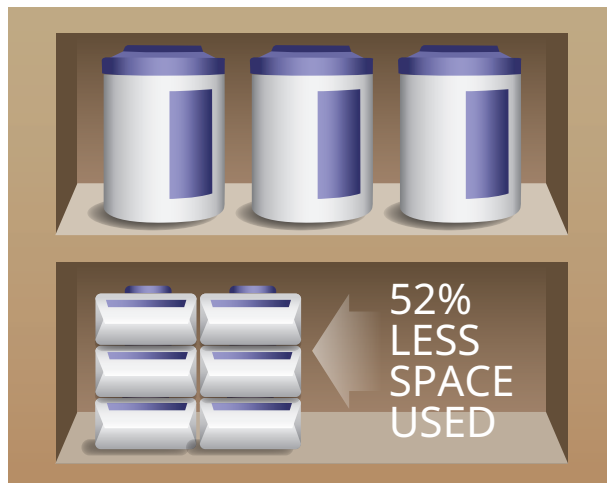

Super Sani-Cloth® Wipes Softpack

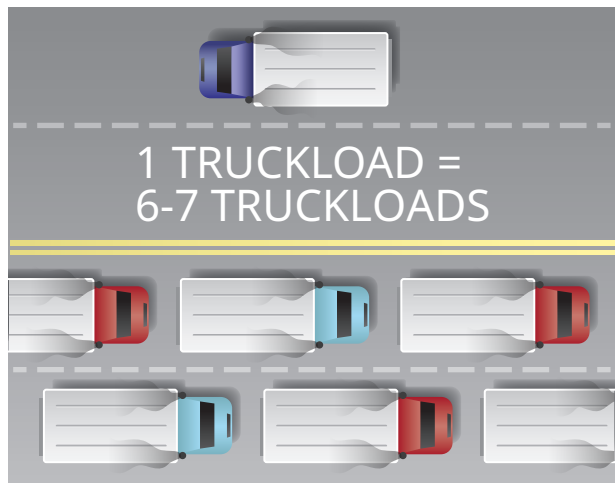

The #1 wipe in healthcare¹ is now available in a softpack format that is easy to use and store.

80% less plastic than canisters and reduces the overall waste footprint.²

Super Sani-Cloth Wipes Softpack occupies 52% less space compared to a large canister.³

One truckload of softpack packaging materials equals 6-7 truckloads of large canister packaging materials.³
