

August 27, 1-2 pm ET

WEBINAR

C. diff: Algorithms, Result Interpretation, Reporting Changes

PRESENTER

James W. Snyder, PhD, D(ABMM), F(AAM)
Department of Pathology
and Laboratory Medicine,
University of Louisville
School of Medicine

ABSTRACT

Join us as Dr. Snyder, Ph.D. will provide a comprehensive overview of *C. difficile* diagnostic testing methods, including an overview of their respective strengths and weaknesses, how to interpret test results, and how these methods align with the current best practices published by the ACG Clinical Practice Guidelines. Additionally, Dr. Snyder, Ph.D. will explore the latest updates and coming changes to the NHSN *C. diff* reporting guidelines.

1.0 P.A.C.E.® contact hour will be provided for this basic level complimentary webinar. TECHLAB is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program.

OBJECTIVES

1. Understand the current clinical methodologies of *C. diff* testing and their strengths and weaknesses.
2. Understand test result interpretation.
3. Review the 2021 ACG clinical practice guidelines.
4. Review current and upcoming NHSN *C. difficile* reporting guidelines.
